PETITION FOR RESETTING PERIOD FOR REPLY UNDER 37 C.F.R. § 1.181

Dear Sir:

The applicants respectfully request that the period for reply of the Notice to File Missing Parts of Nonprovisional Application, originally dated February 7, 2002, be reset to commence from June 12, 2002. The Notice was received at the correspondence address of the applicants' attorney for the first time on June 12, 2002. A copy of the Notice as received on June 12, 2002 is attached.

On June 12, 2002, applicants' attorney noted that the expected receipt of a Notice to File Missing Parts of Nonprovisional Application in the present application was overdue. Accordingly, Ms. Lisa Sanders of the office of the applicants' attorney contacted the Office of Initial Patent Examination (OIPE) customer service department by telephone on June 12, 2002 to determine status in the application. A representative from the OIPE informed Ms. Sanders that a Notice had been issued on February 7, 2002. A facsimile copy of the Notice was transmitted to the applicants' attorney on June 12, 2002, which was the first such Notice received by the applicants' attorney. In view of the above, the applicants respectfully request that the period for reply of the Notice be reset to run from the date of receipt of the Notice at the correspondence address indicated on the Notice, namely June 12, 2002.

Respectfully submitted,
